Currency Price Protection Requested:

Currency Price Protection provides our customer with a guarantee that they can sell back any remaining currency at the same price within 14 days of the return date stated above. The fee for this protection ranges from \$10-\$20 dollars depending upon the currency (major, minor, exotic) and is charged separately for each currency if multiple currency types are ordered. Some currencies do not have the option for price protection. Also please note that a fee of \$14.50 will be deducted from your return currency credit for shipping and handling per EzForex. Please ask if you would like further information.
